

**2023 HOLYGHOST CONGRESS**  
**THEME: DIVINE REPOSITIONING**  
**SERMON BY DADDY G.O. FOR DAY 4**

TOPIC: THE LORD OF HOSTS

SCRIPTURAL REFERENCE: [Psalm 24:7-10](#)

***Outline:***

The sermon is subdivided into two sections:

1. Those who are in need of deliverance
2. This section will involve some spiritual warfare

***Section 1:***

The military can be divided into three parts:

- a. The air force
- b. The ground troop
- c. The navy

The good news is that God controls all the hosts, whether in heaven, on land, or the sea. It follows that regardless of where you are, God can rescue you. A case study can be seen in how God delivered Peter ([Acts 12:1-11, 20-24](#)).

If you are troubled by forces in the air, God can come through for you ([Joshua 10:1-11](#)).

If you have a problem with forces on earth, remember God's word in ([Isaiah 54:15-17](#)).

Are you going through a storm? God controls storms ([Mark 4:35-41](#)).

However, repositioning is not just concerned with forces in the air, land, or sea, but the Almighty God can do better than delivering you, he can set you free by substitution ([Proverbs 11:8](#), [Daniel 6:1-11](#)).

It is important to note that we have a part to play in all of this. [1 John 3:8](#) says that he who commits sin is of the devil. Satan can argue your deliverance if you continue in sin, i.e., he can claim ownership over you. Demons can be moved out of your way, but not angels (an illustration was given about a case where God sends an angel to be an obstacle on your way. This highlights the fact that it is impossible to fight against God if he chooses to be against you).

**Give your life to Christ NOW!**

**Section 2:**

When we talk about divine repositioning, what God has in mind is not just deliverance for the captive. What God has in mind during this congress is to turn the hunted into the hunter (to turn the one who is being pursued to the one pursuing the pursuer) ([\*1 Kings 19:1-8\*](#), [\*1 Kings 21:29\*](#), [\*James 4:7\*](#), [\*Matthew 15:21-28\*](#)).

**Prayer Points:**

1. Father, every activity of the devil in my family must end tonight.
2. Father, every force of darkness in my town, I decree that they leave tonight.
3. Father, please do everything needed to rescue my nation from forces of darkness.
4. Father, in the life of your child that I am holding, flush out anything that is of satanic origin.
5. Father, in the mighty name of Jesus, satan I command you, take your dirty hands off me.
