

**2023 HOLYGHOST CONGRESS**  
**THEME: DIVINE REPOSITIONING**  
**SERMON BY DADDY G.O. FOR DAY 5**

TOPIC: Divine Repositioning

SCRIPTURAL REFERENCE: [1 Samuel 2:7-8](#)

***Outline:***

*The Lord said:*

- *the storm is over*
- *Help is coming rapidly your way*
- *You can sleep soundly now, because the enemy has lost interest in your case*

Tonight's ministration will be divided into the following parts:

1. A talk on divine repositioning
2. A prayer session
3. A brief talk leading to communion service
4. A brief talk leading to anointing service
5. A prayer session to ask God for a Christmas present

Position matters a lot! The head is better than the tail ([Deuteronomy 28:13](#)). You will understand the importance of the head when you want to process your international passport, they only require your head and no other part of your body.

To be first is better than to be last. When the president is passing through, they clear the road for him. Others might experience traffic but not him ([Genesis 41:1-43](#)). On the other hand, if you are an ordinary servant, you can even do something that is right and be punished for it ([Genesis 39](#)).

[Amos 3:3](#) helps us to understand that only people of the same category can walk together. In [John 5:1-14](#), the moment the man by the pool of bethesda was healed, he left the company of sick people. In [Daniel 4](#), when Nebuchadnezzar became mad, he voluntarily joined himself with animals. When a sinner is truly saved, you will want to be in the company of those who are saved [Acts 9:1-30](#).

Now, it takes God to reposition a man. It is God that can take you from the miry clay and set you on the mountain top. It takes the almighty God to reposition you from the valley of sorrow to the mountain top of praises [Luke 7:11-15](#). It takes God to reposition a woman from being barren to bearing children [1 Samuel 2:21](#). It takes God to reposition you from being the one who is being pursued to becoming the pursuer.

- *You will never have cause to complain again, because I will surround your life with wonders*
- *Your breakthrough will be so big that you will be a blessing even to your enemies*

In [Acts 5:14-16](#) we read about Peter whose shadow was healing the sick, but at the beginning he was a failure who toiled all night and caught nothing.

**How does God reposition a man?** [Jeremiah 32:27](#) tells us that there is nothing too hard for God and his sovereign [Psalms 115:3](#).

- *Your miracle will arrive before you know that you need it*
- *In your family, there will be no more wasted lives*
- *Concerning the miracle that you are waiting for, no more waiting*
- *Trust me, and I will surprise you*

**Why does God want to reposition us now?** Because he wants to do a new thing ([Isaiah 43:19](#)).

**Who needs repositioning?** Everyone. No matter where you are, God can take you higher still. You can go from:

- a. sick — healed — whole — becoming — healing vessel
- b. Destitute — rich — wealth — prosperous — flourishing

**What do I need to do to experience repositioning?** In Genesis 12:1 God repositioned Abraham because he knew that Abraham would not deny God of his most treasured gift – Issac. Like Abraham, will you remember God when he promotes you? [Acts 13:21-22](#) God knew that Solomon would return to give him thanks. *God chooses people because of the intent of their hearts, and he rewards the diligent* [Proverbs 22:29](#), [Hebrews 11:6](#).

[Matthew 7:7-8](#) You can also get divine repositioning if you ask!

- *Before the middle of next year, your cup will be running over*

*The one who has a correct heart, who is determined to serve God.*

*Those who will be hardworking – God will not reposition a lazy fellow!*

*God answers prayers and he honors faith* [Mark 9:23](#), ask him for divine repositioning.
